

### Du`a' that repels insinuations during Salah

#### The tenth question of Fatwa no. 2677

**Q10: When people start to perform Salah (Prayer), they are sometimes affected by insinuations and worries. What is the best Du`a' (supplications) to repel Satan**

**( Part No : 7, Page No: 165)**

**and his insinuations, with the Permission of Allah?**

**A:** The remedy is to remember that you are standing in front of Allah and confiding in Him. It is out of good manners that your heart should be attentive and ready to respond to the One you are talking to. You should contemplate the meaning of what you are reciting from the Qur'an while you are standing, and the Glory of Allah while praising Him when in Ruku` (bowing) and Sujud (prostration). You should also invoke Allah while in Sujud to repel Satan's tricks and insinuations from you, as it was confirmed in an authentic Hadith that a Servant is closest to their Lord when they are prostrating.

May Allah grant us success! May peace and blessings be upon our Prophet Muhammad, his family and Companions!
