### Offering Friday Prayer for a traveler

Fatwa no. 967

**What is the ruling concerning offering Jumu`ah Prayer in camps on guard in certain places although such camps are equipped with buildings and tents almost as ordinary villages. People in these camps move around and switch places with others in addition to their performing Jumu`ah Prayer in such camps. This continued until some knowledge seekers disagreed with them and denied their performing Jumu`ah Prayer while others permitted them. This caused confusion for the people living in the said camps who did not know which opinion they should adopt.**
